Dear Dr. Mountjoy,

Thank you for the contributions you have made in the last academic year to support enhanced learning opportunities for honors students. We recognize and genuinely appreciate this commitment to students, especially in light of the many other responsibilities you shoulder as a faculty member.

Honors classes are the foundation of the honors experience. Thank you for offering an honors section of Biology 120 in Fall 2019.

Your professional efforts are invaluable to the mission of the Mahurin Honors College.

Sincerely,

A handwritten signature in black ink that reads "Susann Davis".
